Standing Orders and the Scheme of Delegated Authority should always be reviewed together.

These Standing Orders establish the basic rules about how the Salterns Academy Trust will conduct its proceedings. They supplement the requirements outlined in the Academies Trust Handbook (ATH). If a procedural point arises during a meeting which is not covered by these Standing Orders, the Chair will be the final authority on the interpretation of the rules.

1. MEMBERS – ROLES AND RESPONSIBILITIES

Every Trust has Members who have a similar role to shareholders of a company limited by shares. They:

- Are the subscribers to the memorandum of association (where they are founding Members)
- May amend the Articles of Association subject to any restrictions created by the funding agreement or charity law.
- May, by special resolution, appoint new Members or remove existing Members other than, where there is one, the foundation/sponsor body and any Members it has appointed.
- Have powers to appoint Trustees as set out in the Trust's Articles of Association and powers under the Companies Act 2006 to remove Trustees.
- May, by special resolution, issue direction to the Trustees to take a specific action
- Appoint the Trust's external auditors and receive (but do not sign) the audited annual report and accounts (subject to the Companies Act)
- Have power to change the company's name and, ultimately, wind it up.

The Trust **must** have at least three Members. The ATH expresses a strong preference for five Members. The Trust currently has four Members.

Members **must not** be employees of the Trust, nor occupy staff establishment roles on an unpaid voluntary basis. There should be significant separation between the individuals who are Members and those who are Trustees.

As responsibility to conduct the Trust's business sits with the Trustees, Members should be 'eyes on and hands off' and avoid compromising the Board's discretion.

If the governance of the Trust by the Board of Trustees becomes dysfunctional the Members will have a strong interest in ensuring the Board has plans to address the issues or otherwise to remove the Board or individual Trustees and re-appoint Trustees with the skills necessary for effective governance.

Members must be kept informed about Trust business so they can be assured that the Board is exercising effective governance. This includes providing the Members with the Trust's audited annual report and accounts.

The Trust website www.salternstrust.co.uk contains information about the Trust, details of the Trust Members, Trustees and Committee membership.

2. TRUSTEES – ROLES AND RESPONSIBILITIES

The Trustees should focus on three core functions:

- Ensuring clarity of vision, ethos, and strategic direction
- Holding executive leaders to account for the educational performance of the organisation and its students and the performance management of staff
- Overseeing and ensuring effective financial performance.

They must comply with the Trust's charitable objects, with company and charity law, and with their contractual obligations under the funding agreement with the DFE. Their duties are to:

- Act within their powers
- Promote the success of the company
- Exercise independent judgement
- Exercise reasonable care, skill, and diligence
- Avoid conflicts of interest
- Not accept benefits from third parties
- Declare interest in proposed transactions or arrangements.

As an employer, the Trust has a range of wider obligations including such matters as employment law and health and safety.

The Trustees must ensure regularity and propriety in use of the Trust's funds, and achieve economy, efficiency, and effectiveness – the three elements of value for money. The Trustees must also take ownership of the Trust's financial sustainability, and its ability to operate as a going concern.

The Articles of Association (AoA) make provision for six Trustees appointed by ordinary resolution. This would include the CEO, if appointed. The AoA allow for unlimited co-opted Trustees.

The AoA allow for a minimum of 2 Parent Trustees on the Trust Board, if there are not at least two parent governors on each LGB. However, the structure of the LGBs encompasses two parent governors for each school. Therefore, there will not be any parent governors on the Trust Board.

The Trustees must appoint a Chair and Vice Chair each year.¹ This is done at the AGM.

The quorum for Trust Board meetings must be a minimum of 3 Trustees and must be one third of the number of Trustees. Therefore, for 7 Trustees the quorum will be three Trustees. If the Trust Board grows, the quorum would be recalculated.

The Trust has a Scheme of Delegated Authority which explains responsibility, accountability, and contributions for a wide range of Trust matters. Delegation includes to the CEO, the Trust Executive, the Headteacher and the Local Governing Body of the school (LGB).

¹ Employees of the Trust should not be the Chair or Vice Chair.

The Trust has the following committees:

- Local Governing Body (ALNS)
- Local Governing Body (Trafalgar)
- Academy Committee (Mayfield)
- Finance, Audit and Risk Committee
- Pay and Conditions Committee

In addition, the Trust has established the Governance Leadership Board, with the terms of reference set out at appendix D and the Trust Growth Strategy Group, which will operate as a task and finish group to advise the Board on its future growth and development.

Where a new school joins the Trust the Trust Board will decide on the arrangements for local governance, dependent upon the circumstances in which the school joins the trust .

It is expected that if a school joins the Trust following an Ofsted inspection with that contains more than one rating of Needs Attention, or any area of Urgent Improvement, upon conversion the Trust will establish an Academy Committee for that school with a bespoke set of delegated powers which will approved by the Trust Board and set out in the terms of reference for the Academy Committee. The Academy Committee will operate until the Trust passes a resolution to establish a Local Governing Body for the School.

The Trust has a Scheme of Delegated Authority which explains responsibility, accountability, and contributions to a wide range of Trust matters.

The constitution of the committees is as follows:

Finance, Audit and Risk Committee

- Four committee members (one of which may be an independent, non-trustee member)
- The quorum would be three committee members.
- The committee is supported by the CEO, CFO and COO. They provide information but they are not committee Members.
- Please note that the Chair of the Trust Board cannot chair the Audit and Risk committee, and employees cannot be committee members of the Finance, Audit and Risk committee.

Pay and Conditions

- Five committee members

The quorum would be three committee members

Local Governing Bodies & Academy Committees

The composition of the Local Governing Bodies / Academy Committees is

	TS	ALNS	Mayfield
Headteacher / EHT	1	1	2
Employee Elected	1	1	2
Trust Board Appointed	3	3	8
Parent Elected (must be at least 2)	2	3	2
Co-opted by LGB/AC	3	3	0
Total	10	11	14

The quorum for each LGB/AC meeting shall be 3, or one third of the total membership of the LGB, whichever is greater.

LGB/AC information is found on the relevant school's website

3. MEETING ETIQUETTE

References to the Chair in the Meeting Etiquette section equally apply to the Chair of the Trust Board and the Chair of the LGB.

Frequency of meetings

The Board and its Committees must meet regularly enough to discharge their responsibilities and ensure robust governance and effective financial management.

The Trust Board **must** meet at least three times a year, although it is strongly recommended that the Board meets at least six times a year.

Adjournment of meetings

The Chair may, with the consent of the meeting, adjourn a meeting for up to 7 days.

Alternative arrangements for meetings

Under our Articles of Association, any Trustee or committee member can participate in a meeting by telephone or video conference if:

- They have given notice of their intention to do so and provided the telephone number on which they can be reached and/or the video conferencing platform they will be using, and
- They have access to the appropriate equipment.

The Trustee or committee member is responsible for reviewing and confirming that the privacy terms and conditions and security features of the chosen platform are enabled.

To ensure confidentiality and the smooth running of the meeting, those attending virtually will:

- Attend the whole meeting.
- Attend with the webcam/video switched on where possible.

- Focus on the business of the meeting in the same way as if they were attending in person.
- Remain on mute unless they are speaking.
- Prevent unauthorised individuals overhearing conversations (for example, by using headphones)
- Be mindful of their surroundings – they will consider the privacy of the room, including, but not limited to, who or what is visible or audible in the background.

If it does not prove possible for a Trustee/committee member to participate by telephone or video conference for technical reasons, the meeting may still proceed with its business provided it is otherwise quorate. The Clerk will record in the minutes that the member in question attempted to participate but was unable to do so.

Agenda

The Clerk will issue an agenda for each meeting, providing 7 calendar days' notice of the meeting. Except in cases of urgency, the agenda will also include any accompanying papers. This stipulation enables Trust Board members to have sufficient time to prepare for the meeting.

Chair

The Chair will lead the meeting. The Chair will chair virtual meetings, and meetings in which some participants are attending virtually, in the same way as face-to-face meetings. This applies to the Chair of the Trust Board and the Chair of the LGB.

If the Chair is absent or unable to lead the meeting (for example for conflict of interest on a matter), the Vice-Chair will serve as Chair for the meeting or the agenda item, as appropriate. If the Vice-Chair is not available, the members present will select a Chair for the meeting.

For Finance, Audit and Risk or Pay and Conditions committee meetings, a Chair is elected for the year, but if they are unavailable, the committee members present will select a Chair for the meeting.

Attendance at meetings

Members are expected to attend meetings of the Trust Board or committees as appropriate.

It is understood that there may be rare occurrences where a member cannot attend, and they must send their apologies in advance, which will be minuted.

Where a pattern of regular non-attendance, this will be discussed between the Chair and the member. If non-attendance continues, the member may be removed by resolution of the Trust Board.

Quorum

If the quorum is not present the Chair may decide to adjourn the meeting and all business which requires a decision will be held over. Discussion items can still be considered and minuted.

All members attending virtually count towards the quorum.

If a member loses connection to the meeting, they will no longer count towards the quorum. The meeting can continue undisrupted if it is otherwise quorate.

If during the meeting the quorum ceases to exist all remaining business which requires a decision will be held over. Discussion items can still be considered and minuted.

Conduct of Meetings

The order of business at a meeting must follow that set out in the agenda unless it is varied by the Chair with the consent of the meeting.

A member may only initiate a debate or request a decision on a matter which is not on the agenda with the consent of the meeting.

Voting

Any decision at a meeting is to be decided by a majority of the members present voting by a show of hands. In the event of an equality of votes, the Chair is entitled to an additional casting vote.

Minutes

The Clerk must keep minutes of each meeting which shall include a record of the members present at that meeting.

At each meeting, the minutes of the preceding meeting must be confirmed (or confirmed as amended) and signed by the Chair as a true record of that meeting. If the meeting is a virtual meeting, the signing of the minutes will be done by virtue of electronic means. The signed minutes of a meeting, unless the contrary is proved, are conclusive proof of the proceedings of that meeting.

Register of Business Interests

Trustees and committee members must make a declaration of their personal interests and must ensure that their interests as set out in that Register are accurate and up to date.

The agenda for every meeting must include as an item of business the declaration of interests.

Anyone who has a personal interest in any matter under consideration at that meeting, whether already declared in the Register of Business Interests or not, must promptly disclose that interest to the meeting.

If the interest is a prejudicial interest, the Trustee/committee member must withdraw from the meeting during the consideration of that matter. If attending virtually, they will withdraw from the meeting by leaving the call. The Clerk will notify them when they can re-join the meeting.

Approval of resolutions without meeting

A resolution which, with the Chair's consent, is circulated to, and approved in writing or electronic form by the relevant quorum is as valid as if it had been passed at such a meeting.

Emergency Action

In an emergency, where a decision must be made before the next meeting, the powers and duties of the Board/Committee may be exercised by the Chair (Emergency Action).

An emergency means circumstances in which:

- The Trust will be unable to discharge its statutory functions or be exposed to a significant level of risk if urgent action is not taken; or
- Urgent action must be taken to prevent loss, damage, or significant disadvantage to the Trust.

The Chair must consult with the CEO and/or COO in relation to emergency action.

The Chair must make reasonable efforts to inform members of the proposed Emergency Action or, where it is impracticable to do so, must inform them as soon as possible after Emergency Action has been taken, but failure to do either does not invalidate any Emergency Action.

The Emergency Action functions of the Chair may be exercised by any other Trustee/committee member that the Chair and CEO may collectively nominate in writing.

Code of Conduct

Offensive or improper language or derogatory personal references are not allowed. See Annex 2 – Trustees' Code of Conduct.

The Chair may call attention to any irrelevance, repetition, or other improper conduct on the part of a Trustee/committee member and, where the conduct persists, may direct them to cease speaking. If, in the Chair's opinion, this ruling is persistently disregarded or they behave in a manner which is obstructing the business of the meeting, the Chair may order them to withdraw from the whole or part of the remainder of the meeting.

A ruling by the Chair on any question of order, whether provided for by the Standing Orders, is final and not open to debate.

Training

Trustees may be required to undertake training in relation to their role.

Training dates (for face-to-face training) will be negotiated in advance and Trustees are expected to attend. Where virtual training is required (i.e., online courses), Trustees will be allowed at least two weeks to complete the course. A deadline for completion will be given.

Retention of records relating to the Trust

The Records Management Policy covers the retention schedule for records relating to the Trust.

Adoption and circulation

The Standing Orders are reviewed annually by the Trust Board and are circulated to Trustees and committee members.

APPENDIX A – TERMS OF REFERENCE: TRUST BOARD

Core values

The Board of the Salterns Academy Trust will always:

- Observe the highest standards of impartiality, integrity, and objectivity in relation to the governance of Salterns Trust
- Be accountable to its stakeholders and regulatory bodies for its activities.
- Engage in a partnership with the CEO and the senior leaders of the Trust.

Expectations of Trustees

All Trustees are required to:

- Follow the Seven Principles of Public Life set out by the Committee on Standards in Public Life (referred to as "the Nolan Principles" – See Annex 1)
- Comply with:
 - the Articles of Association
 - these Terms of Reference
 - the Scheme of Delegated Authority
 - the requirements about conflicts of interest and registering business interests.
- Ensure they understand their duties, rights, and responsibilities, and that they are familiar with the function and role of the Salterns Academy Trust
- Not misuse information gained during their Trusteeship for personal gain, nor seek to use the opportunity of service to promote their private interests or those of connected persons, firms, businesses, or other organisations
- Participate actively in the induction process and any relevant training

Powers, Functions and Responsibilities of Trustees

The Trustees are responsible for the governance and supervision of the Trust and its Committees (including the Local Governing Bodies). The Trustees have several duties and responsibilities relating to the governance of the Trust and its finances. In summary, the Trustees are responsible for:

- Establishing the vision, mission, and values for the Salterns Academy Trust
- Ensuring the Trust is a going concern in accordance with the objects set out in the Articles of Association and safeguarding the assets of the Trust
- Designing strategy and structure for the operation of the Trust
- Delegating the running of the schools and the direction of the education, pastoral care, financial and other policies of the schools to the Headteachers, liaising with the CEO
- Ensuring sound management and administration of the Trust by the CEO, and ensuring that the CEO is equipped with the relevant skills and guidance
- Ensuring the financial controls and the financial management of the Trust are in accordance with the provisions of the ATH, which sets out in detail provisions for the financial management of the Trust
- Setting standards of conduct and values, monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon
- Risk management, that is identifying, quantifying, and devising systems to minimise the major risks affecting the Trust
- Ensuring the Trust and its schools operate in compliance with the general law

Accountability of Trustees

The Trustees are chiefly accountable to:

- The beneficiaries of the Trust (students at the schools, their parents, and the local community) for the quality of education and pastoral care at the schools, for matters of health and safety and for safeguarding and promoting the welfare of the pupils
- The DfE, and specifically the Secretary of State for Education under the terms of the Funding Agreement
- The Secretary of State (in his or her role as principal regulator in respect of charity matters) for operating the Trust for the public benefit, for the prudent management of the Trust and its financial efficiency, and for compliance with legislation including charities legislation
- The employees of the Trust for their working environment, and for compliance with the contract of employment and employment law requirements and matters of health and safety
- Other regulatory authorities for compliance with regulated responsibilities to which the Trust and its schools are subject

Quorum

The quorum for Trust Board meetings must be a minimum of 3 Trustees and must be one third of the number of Trustees. Therefore, for 7 Trustees the quorum will be three Trustees. If the Trust Board grows, the quorum would be recalculated.

Conducting Trustees' business

The Trustees are required to:

- Act together and in person and not delegate responsibility of the Trust to others
- Act strictly in accordance with the Articles of Association
- Act in the Trust's interests only and without regard to their own private interests
- Manage the Trust's affairs prudently
- Not take personal benefit from the Trust unless expressly authorised by the Articles of Association or the Charity Commission
- Take proper professional advice on matters on which they are not themselves competent

The Trustees should also hold the CEO to account. They should offer support, constructive advice, be a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information, and always improve proposals where appropriate and act in the best interests of the Trust. The Trustees shall have regard to the ATH, which shall be circulated to all Trustees.

Chair of Trustees

The Trust Board shall appoint an individual from among their number to act as Chair. A change of Chair will require a notification to be made to the DfE. The main role of the Chair is to chair meetings of the Trust Board. He or she also provides leadership to the Trustees and acts as the main point of contact between the Trustees and the CEO. Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g., the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal) then this must be expressly delegated to him by the Board.

Meetings of Trustees

There will be a minimum of three meetings of the Trustees each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles. In determining the agenda for Board meetings and Committee meetings, the Trustees will have regard to the requirement on them to:

- Ensure good financial management and effective internal controls
- Comply with the Funding Agreement and the current version of the ATH
- Receive and consider information on financial performance at least six times a year
- Take appropriate action to ensure ongoing viability against agreed budgets

Delegation of Powers of Trustees

Trusteeship is a personal office of trust and responsibility, and this cannot be transferred to another individual. However, to ensure the proper management of the Schools, the Trustees can delegate specific tasks to assist them in carrying out their duties and obligations.

It is for the Trust Board to determine what decisions it will take for itself, what will be delegated to Committees, working groups or individual Trustees (e.g., the Chair) and what will be delegated to the CEO. The Trustees must also consider when and from whom they should take professional advice. In determining whether delegation is appropriate, the Trustees will have regard to the following principles:

- Non-executive powers must be exercised by the Trustees personally and may not be delegated
- Except when it is impracticable to do so, executive powers should be delegated to the CEO, who may authorise further delegation
- Every act of delegation is only a delegation of powers and does not relieve the Trustees of responsibility

The Trustees must not delegate any of their powers listed Appendix G: Reserved Matters.

As per the Scheme of Delegated Authority and committee terms of reference appended to this document, delegation can be made to:

- The CEO
- The Executive Team
- Finance, Audit and Risk Committee
- Pay and Conditions Committee
- Local Governing Body/ Academy Committee of a school

Stakeholder voices

Trustees must have regard to the voices of their various stakeholders and should put in place arrangements to receive feedback and to respond appropriately. This shall include students, parents, and staff.

Risk Management

The charities statements of recommended practice ("the SORP") set out requirements for reporting on the risks to a charity. The Trustees' report therefore must include a description of the principal risks and uncertainties facing the Trust and any subsidiary undertakings, as identified by the Trustees. The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management. The Trustees are therefore responsible for:

- Identifying the major risks that apply to the Trust, including:
 - operational risks (employment issues, health and safety, fraud, service quality and development etc.)
 - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.)
 - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.)
 - regulatory risks (compliance with legislation, changes in policies of the regulators etc.)
- Making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks
- Making appropriate statements regarding the management of risks in the annual report

The Finance, Audit and Risk Committee, supported by the COO, will prepare a risk register for approval by the Trustees, along with undertaking regular review. The risk register shall have named postholders assigned to manage specific risks.

Conflicts of Interest

The Companies Act 2006 imposes a statutory duty on the Trustees to avoid situations in which they have or could have an interest, which conflicts (or could conflict) with the interests of the Trust. The duty is to:

- Declare the nature and extent of any interest in any matter relating to the Academy Trust.
- Avoid any conflict of interest between that interest and the interests of the Academy Trust.

In addition, charity law and guidance issued by the Charity Commission confers obligations on the Trustees to manage any conflict between a Trustee's duty to the Trust and their own personal interests or for a Trustee to be influenced by conflicting duties to the Trust and a third party.

Recruitment of Trustees

It is essential that the Trust Board has a proper mix of skills and experience. The Trustees must therefore be able to identify potential new Trustees to plan for succession, which combines continuity of experience and expertise with new ideas and energy. The Trust Board as a whole is responsible for ensuring that:

- The skills of any new Trustee fit in with the Trust's requirements in the short, medium, and longer term
- Each new Trustee is not disqualified from acting as a Trustee by any provision of the Articles of Association (including the requirement that he is not disqualified as a company director or charity Trustee)
- There is a system in place which ensures that all relevant checks are completed before or as soon as practicable after a Trustee takes up position
- The new Trustee understands the responsibility he / she is taking on and consents to act as a Trustee

Each new Trustee will be properly inducted to ensure that he / she understands the nature and extent of his role and responsibilities. It is the duty of a new Trustee to ensure that he / she is familiar with the Objects of the Trust; its history and ethos and the nature and extent of its activities; and the content of the Articles of Association. The Trustees shall provide each new Trustee with:

- The Articles of Association
- Standing Orders
- The Scheme of Delegated Authority

New Trustees shall be required to sign a declaration of interest form. The Clerk shall ensure that any appointment of a new Trustee is updated on Get Information About Schools within 14 days of the appointment.

Training and Development of Trustees

The Trustees shall ensure that the Trust Board has the skills and experience needed to perform its functions effectively. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Trust operates. The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually.

Trustees Terms of Office

In accordance with Articles of Association Trustees are appointed for a four-year term, and subject to still meeting eligibility requirements at the end of the term can be considered for reappointment.

It is the position of the Trust Board that a Trustee would normally serve a maximum of 8 years as a Trustee, and that a Trustee may serve in the role of Chair for a maximum of 6 years.

The Board acknowledges that there may be exceptional circumstances where, in the best interests of the Trust or its Schools, it wishes to appoint a trustee, or a chair in excess of these limits and reserves the right to make such an appointment in line with the Articles of Association, the Academy Trust Handbook and other relevant legislation or guidance. Any such decision, and the rationale for it will be recorded in the Minutes of the Trust Board. Any extension will be for a defined period of time, at which point the Board may choose to further extend such an appointment, subject to the requirements of the articles of association and these standing orders being met

The application of a limit to terms of office will not apply to ex-officio appointments (e.g. where the Members have chosen to appoint the Chief Executive as a member of the Board).

Annex 1: The Seven Principles of Public Life (set out by the Committee on Standards in Public Life ("the Nolan Principles"))

1. Selflessness

Holders of public office should act solely in terms of the public interest.

2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office should be truthful.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Annex 2: Trustees' Code of Practice

This Code of Practice is designed to set out the conduct required of Trustees to ensure the highest standards of integrity and stewardship.

General responsibilities

"Trustees must act reasonably and prudently in all matters relating to the Charity and must always bear in mind the interests of the Charity. They should not let their personal views or prejudices affect their conduct as Trustees." (*The essential Trustee: what you need to know* (CC3), Charity Commission, February 2008).

"The primary duty of a Trustee is to carry out the function of his or her office with the utmost good faith. He or she must be impartial and mindful of the interests of the beneficiaries of the Charity and of the objects for which the Charity is established". (*Governance and management of charities*, Andrew Hind, NCVO Publications, 1995) Trustees should listen to the view of other Trustees, staff, volunteers, or external advisers respectfully, taking cognisance of differences of opinion. Trustees should not cause offence to others or undermine the standing of their colleagues as a member of the Trust Board.

Trust Board papers

While the Trust Board aims to conduct its business openly, it is inevitable that some matters must be confidential either for a time or always. All matters discussed at Trust Board meetings (save for items which are clearly neither confidential nor of a sensitive nature either legally, commercially, financially, or personally) should be treated as strictly confidential and should not be discussed with anyone other than those present at the meeting when the matter in question was discussed unless authorised by the Trust Board to do so. If in any doubt, Trustees should contact the Chair.

Trust Board meetings

Open discussion and debate are actively encouraged, in which every spectrum of objective opinion is welcomed. As Trustees must act with probity, the Trust Board should take and consider professional advice from internal and / or from external advisers in all decision-making. Where consensus is not achieved, decisions will be taken during Trust Board meetings by calling for a vote by those present. Trustees who abstain on, or vote against, any motion may request an appropriate note be made in the minutes. The Trust Board must be accountable but delegate authority on various matters on which it is entitled to full reports as necessary.

Outside of Board meetings

Trustees should exercise restraint outside a meeting in relation to comments made within the Trust Board meeting by individual members. Trustees must accept that it is inappropriate for any private or public references to "who said what", except in dialogue with other Trustees. Trustees should accept the need for care and restraint, honouring the spirit as well as the letter of the code of practice, when talking about Board matters in any other forum.

Disagreements

Where a Trustee has a disagreement on any matter, he or she should raise the matter informally with the Chair or through the normal procedures at a Trust Board meeting. If not resolved, a Trustee may request the matter be taken further by the Chair. If a satisfactory conclusion is not reached, the Trust Board may recommend the appointment of an independent mediator.

The Executive Team and the wider staff

Staff and Trustees are expected to deal with each other with respect and courtesy. Trustees must ensure there is a clear understanding of the scope of authority delegated to the CEO, via the Scheme of Delegated Authority.

Having given the CEO delegated authority, Trustees should be careful, individually, and collectively, not to undermine that authority either by word or action.

Trustees delegate the management to the CEO, which includes the management of staff. If a Trustee has concerns relating to the performance of a member of staff, he or she should contact the Chair, who will take up the matter with the CEO.

APPENDIX B: TERMS OF REFERENCE: FINANCE, AUDIT & RISK COMMITTEE

The Trust Board has resolved to establish a Finance, Audit and Risk Committee to advise on matters relating to the Trust's financial management, audit arrangements, systems of internal control and risk management.

The Committee is responsible to the Trust Board.

The Committee's Terms of Reference are adopted by the Trust Board and may only be changed with the approval of the Trust Board.

Constitution

- Four Trustees as committee members
- The Board may appoint an independent member to the committee. In the event of an independent member being appointed this individual will not count towards quorum or have any decision making/voting powers.
- The board will appoint the Chair and Vice Chair of the Committee
- The quorum is three committee members.
- The committee is supported by the CEO, COO and CFO. They provide information but they are not committee Members.

The Relationship between the Trust Board and the CEO

The relationship between the Trust Board and the CEO is characterised as a partnership to realise a common vision and a common purpose.

It is the role of the Trust Board to act as a critical friend to the CEO. The relationship between the Trust Board and the CEO should be one of mutual trust, confidence, and candour if the Trust is to succeed.

The Trust Board will support and oversee the work of the CEO and hold them accountable for the authority that is delegated to them and how they exercise it. The Trust Board will not without good cause and consultation (where practicable) interfere in the exercise of the CEO's executive powers and in particular, the role of the CEO in overseeing its work.

The Trustees are entitled to trust the CEO. However, the Trust Board must ask the CEO questions that ought to be asked and to satisfy themselves that the Trust is being properly conducted. The CEO must give the Trust Board enough information to ensure they are fulfilling his / her duties properly and expeditiously.

The Trust Board must fully consider any views and proposals relating to any matter within the non-executive powers of the Trust Board which may be submitted to them by the CEO.

When exercising his / her professional judgement, the CEO acts not only as the Chief Executive Officer of the Trust but as an advisor to the Trust Board. Accordingly, the Trust Board should follow the CEO's advice unless they have good reason not to do so.

Any issues surrounding the performance of the CEO should be raised directly with the Chair of the Trust Board, and likewise, any concerns the CEO have over the Trust Board or one of its number should be raised with the Chair (or the Vice-Chair in the case of the Chair).
