Scope of the policy

This policy applies to all records created, received, or maintained by permanent and temporary staff of the Academy while carrying out its functions. Also, by any agents, contractors, consultants or third parties acting on behalf of the Academy.

Records are defined as all those documents which facilitate the business carried out by the Academy and which are thereafter retained (for a set period) to provide evidence of its transactions or activities. These records may be created, received, or maintained in hard copy or electronic format, e.g., paper documents, scanned documents, e-mails which document business activities and decisions, audio and video recordings, text messages, notes of telephone and Skype conversations, spreadsheets, MS Word documents, and presentations.

This policy has been drawn up within the context of GDPR and the Trust's Data Protection policy.

Responsibilities

The Trust Board has overall responsibility to ensure that the Trust operates within the requirements of the GDPR.

The Local Governing Body of an Academy has a statutory responsibility to maintain the Academy records and recordkeeping systems in accordance with the regulatory environment specific to the Academy. The responsibility is delegated to the Headteacher of the Academy.

The Trust Data Protection Officer will provide advice and guidance on good records management practice and will promote compliance with this policy, so that information will be retrieved easily, appropriately and in a timely way. They will also monitor compliance with this policy through spot checks and learning walks to check if records are stored securely and can be accessed appropriately.

The Academy will manage and document its records disposal process in line with the Records Retention Schedule. This will help to ensure that it can meet Freedom of Information requests and respond to requests to access personal data under data protection legislation (i.e., Subject Access Requests).

Individual staff and employees must ensure, with respect to records for which they are responsible, that they:

- Manage the Academy's records consistently, in accordance with the Academy's policies and procedures.
- Properly document their actions and decisions
- Hold personal information securely.
- Only share personal information appropriately and do not disclose it to any unauthorised third party.
- Dispose of records securely, in accordance with the Academy's Records Retention Schedule
